

|| West Bengal e-District ||

e-District is a Mission Mode Project which enables District Administration to provide Government - to - Citizen (G2C) services seamlessly to the citizens at their doorstep. Citizens can apply for a service from their home through internet or they can visit KIOSK centres or Common Service Centres (CSCs) to avail the services under e-District.

1. The applicant shall open the WB e-District portal for availing the service through internet (url : <https://edistrict.wb.gov.in>)
2. The e-District application shall prompt for user name and password for registered users. In case, the user is not registered, the application shall ask the user to register.
3. New users shall register with name and requisite details. The e-District application shall generate unique user ID and password and email it to the applicant.
4. The applicant may login to the WB e-District portal with the username and password and search for the menu for applying for Ordinary Residential Certificate in the portal.
